

The Common App Package

(our most popular package!)

Register now and get a head start this summer!
Sessions start in June!

Personal Essay

- We will dig into who you are and let the creative process flow!
- This is a wonderful opportunity to demonstrate your superpowers, values and help you unfold YOUR story!
- This exciting process will bring forth all your ideas with targeted feedback and lots of drafting!

Activities List

- The activities section is where you list up to 10 of your high school extracurricular activities and volunteer a hours.
- The tricky part: you only have 150 characters to describe each activity.
- CE will help you MAXIMIZE this space to really allow you to stand out!

LoR & Transcripts

- In this section you will self-report classes, grades, and high school GPA.
- Typically, an applicant will need TWO letters of recommendation (LoR).
- Choosing who will write these LoRs is part of the CE strategy!
- You will also be responsible to order your official transcripts (sometimes at a cost).

Testing

- This section includes the SAT, ACT, and AP exams - you are responsible to send the schools your test scores!
- Impressive test scores set you apart from other applicants!
- Test scores are a wonderful opportunity for you to earn merit scholarships and aid.
- Ask us about our test prep opportunities to really add that competitive edge to your application!

Supplemental Essays

- The supplemental essay is not necessarily a part of the Common App, but specific to EACH school.
- This is the time to research the school's vision and mission and really try to see yourself there!
- The school want to know that your values align with theirs!
